# Become a Member of the Board of Directors

The Economy League of Greater Philadelphia

Founded in 1909 by Samuel Fels and other progressive business leaders, We are our region's independent 'think-and-do-tank.' The Economy League was formed under the belief that business has a civic responsibility beyond profit-making and that it is the citizen's duty to ensure that local government and the local economy work for all.

## As a board member, you and your company will:

- Engage in high-impact projects and initiatives driving inclusive economic growth & promoting equity in our region
- Join our highly visible community of engaged businesses, influential entrepreneurs, major anchor institutions, and civic and social sector leaders.
- Have guaranteed access to the annual Greater Philadelphia Leadership Exchange Conference
- Cultivate emerging executives and leaders at your company who are seeking to extend their impact through civic engagement
